The South Carolina Victim Assistance Academy is a one week,(40 hour) academically-based program for all professionals engaged in the victim services field. Completion of the program entitles students to apply for state certification as a victim service provider, and/or credentialing from National Advocate Credentialing Program.

Highlights

- ◆ Provides state-of-the-art education for victim assistance professionals
- ◆ Approved for state certification and continuing education
- ◆ Meets requirement for NACP credentialing
- ◆ Encourages collaboration across all disciplines working to meet victim needs
- ◆ Offers three hours of academic credit

The SC Victim Assistance Academy is sponsored by a grant from the South Carolina Department of Public Safety, Office of Justice Programs (State Victims Assistance Program #1W09023). The grant was awarded to the Office of the Governor, State Office of Victims Assistance. This is a collaborative project between SOVA, MUSC, and SCVAN.
